Testing Centers:

409-550-2536 Health screening for testing site for COVID-19

Call your healthcare provider if you are experiencing fever, cough or shortness of breath and have recently traveled from an area with ongoing spread of COVID-19 or have been in close contact with someone known to have COVID-19. It is important that you call first so they can evaluate your risk and determine if they need to see you in person so that other patients are not potentially put at risk.

There are also a number of urgent cares, emergency rooms, etc. that are testing. It is important that you call first so they can evaluate your risk and determine if they need to see you in person so that other patients are not potentially put at risk.

Phone/Internet Providers:

Xfinity

Comcast has opened free Xfinity wifi hotspots nationwide during this national emergency for the next 60 days. Anyone, not just Comcast customers, will be able to access the Internet via these hotspots.

Xfinity WiFi hotspots across the country will be available to anyone who needs them for free – including non-Xfinity Internet subscribers.

Once at a hotspot, consumers should select the “xfinitywifi” network name in the list of available hotspots, and then launch a browser. [See HotSpot Locations](#)

AT&T

For the next 60 days, AT&T will not terminate service for any wireless, home phone, or broadband residential or small bus customer due to the inability to pay.

They will also do the following:

- Waive late payment fees.
- Keep their public Wi-Fi hotspots open for anyone who needs them.

The service will also be offering unlimited internet data and offer internet access for limited-income households at \$10 a month through the Access from AT&T program.

For more details, click [HERE](#).

Verizon

The company will not terminate service to any residential or small business customers because of their inability to pay bills due to disruptions caused by the coronavirus.

- Waiving late fees for those impacted by COVID-19
- Tripling data allowance for Verizon Innovative Learning schools

For more information, click [HERE](#).

Sprint

Sprint has joined the Keep Americans Connected Pledge and is opening up its network to their customers and:

- Won't terminate service if customers are unable to pay due to coronavirus issues
- Waive late fees caused by economic disturbances related to the coronavirus pandemic
- By 3/17: Customers with international long-distance plans will get complimentary international calling rates from the U.S. to countries defined by the CDC as Level 3.
- By 3/19: Customers with metered data plans will have unlimited data per month for 60 days at no extra cost
- Customers will get an extra 20GB of mobile hotspot data per month for 60 days.

Coming soon: Customers with mobile hotspot-capable handsets without a hotspot will get 20GB per month for 60 days at no extra cost.

For more information, click [HERE](#).

T-Mobile

The wireless provider already has a majority of customers with unlimited talk, text, and data, but they're doubling down on their effort to keep their customers connected.

- All current T-Mobile and Metro by T-Mobile customers who have data plans will have unlimited smartphone data, excluding roaming.
- T-Mobile and Metro by T-Mobile customers will get an additional 20GB of mobile hotspots/tethering service for the next 60 days. The company says this feature will be coming soon.

- Work with Lifeline partners to get customers extra free data up to 5GB per month over the next two months
- Increase data allowance for free to schools and students for the next 60 days, which means at least 20GB of data per month for each participant

Southern Broadband

Southern Broadband has recently deployed a Free Wi-Fi Hotspot at Seabreeze Soccer Club

Counties:

Jefferson

<https://co.jefferson.tx.us/>

(409) 835-8757

To further combat the spread of COVID-19 in Jefferson County, Judge Jeff Branick has asked Jefferson County residents to limit activity that may put others at risk.

YOU CAN:

- Go to grocery, convenience stores or warehouses (LIMIT VISITS TO THESE LOCATIONS TO ONE FAMILY MEMBER PER HOUSEHOLD)
- Go to the pharmacy to pick up medications and other healthcare necessities
- Go to medical appointments (check with your doctor or provider first)
- Go to a restaurant for take-out, delivery or drive-thru
- Care for or support a friend or family member
- Go outside, take a walk, ride your bike, hike, jog or exercise- just keep at least six feet between you and others
- Walk your pets or take them to the veterinarian if necessary
- Help someone get necessary supplies
- Receive deliveries from businesses that provide delivery service

YOU SHOULD NOT-

- Go to work unless you are providing essential services
- Visit friends and family if there isn't an urgent need
- Maintain less than a 6 foot distance from others

- Visit loved ones in the hospital, nursing home, skilled nursing facility or other residential care facility (unless the facility website provides limited exceptions)
